All of these items help in some way to enrich our learning environment, building and improving our school program to be more effective, which allows us to care for and educate our students (your children) to the highest standards!

In addition, our generous and supportive, Knights of Columbus has contributed funding to Fun Day and teacher's classroom supplies as well as volunteering time to assist. They also offer prizes to winners of their poster contests and essay contests.

Our Men's Club is also very supportive of our school, assisting with funding for special projects like our security system and also our sports program

Thank you for your participation and support!
